KOZEN

KOZEN

ABOUT KOZEN

▶ KOZEN, a tech brand specializing in electronic payments, is dedicated to delivering top-notch user experiences with smart POS solutions. Our focus lies in innovative product design and seamless user interaction. We desire to offer innovative and valid optimal solutions by leveraging leading-edge technology and continuous creativity.

▶ We are committed to blending innovation and quality to achieve exceptional user experiences and operational efficiency. Our sleek, versatile smart products enhance electronic payment convenience and efficiency, surpassing expectations and bringing delightful surprises.

▶ Currently, KOZEN leads the industry, with products available in 70+ countries and regions, totaling 10 million units shipped across catering, retail, technology, and banking sectors.

▶ As an independent sub-brand under XC TECH, KOZEN utilizes XC TECH's leading resources in technology, products, supply chains, and quality control etc. Grounded in core technological innovation, KOZEN will expand into various industries and scenarios, driving the evolution of electronic payments with cutting-edge smart POS terminals.
